

The Face of Interior Design
ROB BOWEN DESIGN GROUP

Rob Bowen and his team create spaces that evoke a rare sense of intimacy and inspiration. Rob's unique talents, keen insights and collaborative spirit transform personal and professional settings into one-of-a-kind expression of each client's vision and style, each as distinctive as the individuals they're designed for.

An intensely process-oriented designer, Rob takes due diligence to a new dimension by taking the time to truly listen and understand each client's vision, lifestyle and feelings about what will make their house or office feel like home. Described by those who've worked with him as exceptionally gifted, intuitive, artistic, sophisticated, collaborative, positive and generous, each client becomes a friend and every project an indelible expression of a new friend's personal point of view.
